## *Worthy President's Message*

Fall has finally arrived after an exceedingly long, very hot summer and I'm sure that most of us welcome the cooler months. Several events are scheduled for this fall. First, NFL football begins, and we have again bought the NFL Season Ticket package and will be showing all the available games on the many TVs found in the Aerie. Come on in and join your fellow members in cheering or cursing out your favorite team. A super special menu of food will be available for your game day experience. And, of course, cold adult beverages are always available.

Details continue to be completed for our annual Golf Tournament to be held on Saturday, October 14. Once again tee off is at Crane Lake's Golf & Country Club. The day includes golf, food, and prizes.

I at once thought about our By-Laws committee when I came across this quote by Robert Copeland, "To get something done a committee should consist of no more than three people, two of whom are absent". It is certainly not true of our committee as they are hard at work on suggested changes to our By-Laws in addition to our House Rules. The changes, if any, will have to be approved by the membership after three successive readings. The readings are on the agenda for the meetings on October 2<sup>nd</sup>, 16<sup>th</sup>, and November 6<sup>th</sup> for the final reading, discussion, and vote. It's my opinion this process is one of the more important items this club tackles each year, so please make the effort to attend, listen, comment, and vote.

If you missed our Labor Day celebration at the Aerie you missed a great afternoon of food, music, prizes, and just a tremendous amount of fun. Putting on such an event takes a lot of time and effort by a very dedicated group of volunteers. A huge shout out to them as they are always there when needed. You are the best!

Speaking of events, several are on the calendar. October is the month for the annual Halloween get-together, and of course, in November we celebrate Thanksgiving with a traditional meal at the Aerie. For details, please refer to posters and flyers that will be posted around the club.

Our Aerie has contributed over \$87,000 to selected charities for the membership year 2022-2023. Most of the monies come from the proceeds of charity dinners, the annual holiday bazaar, and other fund-raising events piloted by the Ladies Auxiliary. As a member you play a big part in this by attending a dinner, taking part in 50/50 drawings, buying gift basket tickets, etc. Please support these efforts led by Auxiliary Madam President Linda Dixon, Auxiliary officers, and their volunteers. They do a tremendous job in showing we all are "People helping People".

We are doing more communication via email so if you don't have an email address on file with the Aerie Secretary, please provide a brief note with your name and email address. Drop it off in the Secretaries marked box (south hallway) or hand it to the bartender on duty.

Aerie meetings are held on the first and third Monday of each month at 7:00pm. Meetings seldom last over an hour and this is where the business of the Aerie is discussed and the best source of information on what is happening and plans of the club.

Fraternally,

Bruce P. Farry  
Worthy President

## Madam President's Message

Greetings to All,

Here it is September already. We will begin to see cooler temps hopefully in October and our Snowbirds will begin the migration south. We can't wait to see all of our members who spend the summer in the northern areas of the US return to us. You have been missed.

What a beautiful backyard we have at The Port Orange Eagles #4089. We now have fans installed, flags to keep some of the sun at bay during daytime events and the paver extension has begun. The 2 fire pits at night are just the perfect touch! And, I do believe the Aerie has more surprises for us in the near future regarding the outdoor space.

The Auxiliary is busy. We continue to raise money for our charity work by hosting monthly dinners, raffle baskets, Bingo, 50/50 events and of course Pizza Night on Sundays. Our dinners are the BEST and we have to thank Sharon Braun and Deb Gilman for the great organization and planning they do regarding the kitchen, the dinners and scheduling. They do a great job.... And we are successful due to our member participation. YOU, our members and volunteers make it possible. If you would like to do a dinner, volunteer to help at an event or just help with cleanup.....we would love to have you.

This Saturday the Halifax Sport Fishing Club group will be hosting the dinner fundraiser for Kids Can Fish Too, a great local organization. This dinner will be in the books when you get this newsletter, but remember October is for Breast Cancer, Charlene's Dream. Yummy pork loin and scalloped potatoes will be served. This great organization will benefit from the dinner, basket raffles and the Golf Tournament being held on October 14<sup>th</sup> at Crane Lakes. A super fun annual event for our golfing members. A great turnout with food and prizes too.

CRAFT FAIR on Nov. 4<sup>th</sup>, from 9 am to 2 pm.... to benefit St. Jude. Dinner that night will be Chicken Cacciatore and a desert. Basket raffle, food, fun and entertainment.

See me for Boggy Creek sign-up sheet for "Bear Stuffing" party on October 25<sup>th</sup> 9am to 2 pm...at Boggy Creek... limited to 10 people.

We were able to donate \$2000 to BACA (Bikers Against Child Abuse) for their focus on child abuse from the dinner we did for them. They lend physical and emotional support to children who have been abused. They work in conjunction with state and local officials who are already in place to protect children. BACA stands at the ready to shield these children from further abuse. Good job everyone.

I look forward to seeing you at our meetings...the 2<sup>nd</sup> and 4<sup>th</sup> Monday of the month at 7 p.m. We share all upcoming events, dates, changes, etc., at the meetings. Come and find out what's happening and be a part of the planning at our club. We are always open to new ideas and we want to get to know YOU!

I had to get my Irma Bombeck book out today for a tip on how to clean something. While there I was reminded of something she wrote a long time ago. In closing I will share with you this great quote...

"Volunteers are the only human beings on the face of the earth who reflect this nation's compassion, unselfish caring, patience and just plain loving one another".

Til next time, be safe, be happy and remember to lift each other up!

## Camp Boggy Creek Afghans

For many years, volunteers at Port Orange Eagles have knitted or crocheted afghans for Camp Boggy Creek. Every one of the hundreds of campers who attend the Camp each year receives an afghan that they take home at the end of the session. The campers love them!

We need new knitters! Many of our members who have knitted afghans for the Camp in the past can no longer do so. We need to pick up the slack. Afghans can be crocheted or knitted and should be 35-40 inches wide by 40-50 inches long.

If you are willing to help or have questions, please contact Wendy Evans at (386) 562-4927. We and the Campers thank you!
